(Original paperback out of print; stocks may be available through Amazon or eBay)

## Now that the Funeral is Over

The common sense guide for grieving people.

Here you have a contemporary explanation of grief and its effects. There are no stages or phases to follow, just your 'grief work' to do. And as you turn each page, there is an inspirational quote to guide you. And some tips for relatives and friends.

## When Pets Die

It's Alright to Grieve

This book helps readers to understand why it's important to allow yourself to grieve when your pet companion dies. It combines helpful grief guidelines with thoughtful quotes, poems and real stories from pet lovers who share their experiences with you. There are even suggestions for friends about what to say and do when they know someone who is grieving.
